Examples Of Student Newspaper Articles

A student publication is a media outlet such as a newspaper, magazine, television show, or radio station produced by students at an educational institution. These publications typically cover local and school related news, but they may also report on national or international news as well. Most student publications are either part of a curricular class or run as an extracurricular activity.

In English, there is the definite article "the" and the indefinite articles "a" and "an".. The difference between "a" and "an" is simple. We put "an" in front of words with vowels.. Examples: He lives in an old house. She always wears an orange hat. Careful - we use "an" also in front of words that begin with a silent "h" such as an hour and in front of abbreviations that start with a vowel ...
