Study skills, academic skill, or study strategies are approaches applied to learning. They are generally critical to success in school, considered essential for acquiring good grades, and useful for learning throughout one's life. Study skills are an array of skills which tackle the process of organizing and taking in new information, retaining information, or dealing with assessments.

Study skills - Wikipedia

[FORMATS FOR LEARNING] Depending on your situation, you have several options on how to prepare and study for the CMCA examination, including independent study, small group study and online networking.
